The editors are grateful to the faculty of Osaka University for hosting the 14th International Conference on Early Modern Literatures of North India (ICEMLNI) during the pandemic in 2022. Organizing a hybrid conference for the first time presented numerous challenges, but it allowed participants from around the world to come together and engage in meaningful discussions. We are also thankful to the peer-reviewers for taking their time and for providing insightful comments on the articles. A special vote of thanks goes to Steve Turrington for his meticulous proofreading of the English text. We are also thankful to all the staff at the Heidelberg Asian Studies Publishing (HASP) for making this volume possible.

This volume was supported by JSPS KAKENHI Grant Numbers 23K00456 (Grant-in-Aid for Scientific Research (C), PI: Hiroko Nagasaki) and 23K00463 (Grant-in-Aid for Scientific Research (C), PI: Kiyokazu Okita).
