#### **The XV Conference of the European Association of Chinese Studies**

August 25-29, 2004, Institute of Chinese Studies, Heidelberg

The conference has the purpose to present the best and most innovative recent research across the spectrum of Chinese Studies from archaeological to political science approaches, from phenomena in the distant past to those of the present day, from China's global interaction to local developments; to foster exchange and cooperation across national and disciplinary, methodological and generational borders; to encourage young scholars to strive for academic

excellence by offering an award for the best scholarly study by a China scholar under 35, together with a platform to present the research results to the Conference. Refer to the conference website at [http://www.sino.uni-heidelberg.de/eacs2004/content/conference\\_info/call\\_for\\_papers/index.php?section=2&subsection=21#ysa](http://www.sino.uni-heidelberg.de/eacs2004/content/conference_info/call_for_papers/index.php?section=2&subsection=21#ysa) for more information. Scholars are invited and encouraged to submit proposals for panels or individual talks to be presented at the Conference. Senior scholars are strongly encouraged and kindly invited to submit proposals themselves, and to actively alert young scholars of promise in their institutions to the upcoming conference. The basic form of submission is electronic via the Paper Submission & Login page on the conference homepage at [www.sino.uni-heidelberg.de/eacs2004](http://www.sino.uni-heidelberg.de/eacs2004). In exceptional cases proposals in printed form are also accepted. **Sozialwissenschaftlicher China-Workshop "Iserlohn"**

12. und 13. Februar 2005, Haus Schwerte

Der seit vielen Jahren durchgeführte jährliche China-Workshop sieht es als seine Aufgabe an, sozialwissenschaftlich zu China arbeitenden Wissenschaftler/innen eine Plattform zur Vorstellung ihrer Arbeit, inklusive von Feldforschungsberichten, zu geben. Er steht generell verschiedenen akademischen Disziplinen offen, und die Teilnahme von Professor/innen ist ebenso erwünscht wie die von wissenschaftlichen Mitarbeiter/innen, Doktorand/innen und Magistrand/innen (etc ...).

Besonders die Möglichkeit der kritischen Diskussion von noch nicht veröffentlichten Arbeiten und Forschungsvorhaben ist hervorzuheben. Weiterhin soll mit dem Workshop eine interdisziplinäre Vernetzung von jüngeren Wissenschaftlern mit einer sozialwissenschaftlichen Ausrichtung erreicht werden.
