<div align="right">(journal or contribution hereinafter: the work)</div>

I hereby grant the University Library the non-exclusive right to copy the work, which may consist of one or more files, as well as the descriptive data provided for this purpose, on university servers, to store it permanently in electronic form and to make it publicly accessible in international data networks for the duration of the statutory protection period and without any restrictions/limitations in terms of geography and/or subject matter. The rights to use the work in other forms remain unaffected by this. The University Library is entitled to make technical changes to the work for the purpose of long-term archiving while maintaining the integrity of the content. The work is published in open access under:

☒ the Creative Commons licence "Attribution – Share Alike 4.0 international" (CC BY-SA 4.0).
☐ the Creative Commons licence _____.
☐ the label "In Copyright (InC) / protected by copyright".

☐ In addition, I hereby expressly grant the University Library the corresponding non-exclusive right to copy and redistribute the work in printed form (including commercially) by means of print-on-demand (POD) involving third parties (in particular POD service providers).

In accordance with legal provisions, the University Library is entitled to grant simple rights of use to supraregional long-term archiving systems (German National Library, Baden State Library) without requiring my separate special permission.

I hereby assure that I am legally entitled to dispose of the copyright of the work and any third-party texts and/or images contained therein, and that I have not previously made any dispositions that conflict with the rights granted by this declaration, so that no legal provisions and no rights of third parties are violated. I shall inform the University Library immediately of all texts, images, graphics, illustrations, etc. to which I have no rights, the use of which I am not entitled to dispose of without restriction or whose (copyright) status is uncertain. I shall indemnify the University Library in full against all claims by third parties, including the (costs of) legal prosecution and/or legal defence.

I hereby assure that I have independently created this work in accordance with generally recognised scientific principles. I also expressly declare that I am fully responsible for the content of the work. I will not receive any renumeration from the University Library for the publication of the work. Any license fees incurred for the use of (third-party) texts, images, graphics, illustrations, etc. shall be borne by me. I am also aware that if the work is also published in printed form by means of print-on-demand (POD), the University Library will not bear the costs (in particular for production and delivery)
