Cooperation agreement on radio and television between the Central Broadcasting Administration of China and the British Broadcasting Corporation
XNA, Jun 2, 1980
- June 4 Argentina**
Financial agreement with the Bank of China on behalf of the Central Bank of the Republic of Argentina. By the agreement, the Argentine Central Bank grants the PRC a credit line in the amount of 300,000,000 \$, which may be used for purchasing non-traditional products manufactured in the Republic of Argentina. Regarding the terms of this financial credit, the yearly rate of interest will be 7.5%, payable in US\$. The terms of payment vary according to the nature of the goods: capital goods will be financed for a term of up to 8.5 years; durable and semi-durable goods for up to three years; the term of payment for industrial plants and so-called turn-key projects will be agreed upon in each case; the term of financing for ships will be up to 10 years; for other manufactured goods the terms vary according to the stipulations of the Central Bank of the Republic of Argentina. This credit should be used within 18 months from the signing of the agreement and the time limit for using it can be extended; also the amount of the credit can be increased. This credit creates the necessary conditions for the Argentine private sector to increase substantially the sale of manufactured products to the PRC
