Die blutigen Auseinandersetzungen um die Paracel Inseln vom Januar 1974 erinnerten die Weltöffentlichkeit daran, daß der Besitz der Archipele des Südchinesischen Meeres bis heute umstritten ist. Ein militärischer Konflikt zwischen Peking und Hanoi im Bereich der Spratly Inseln kann künftig nicht mehr ausgeschlossen werden. Dies ist das erste Buch, in dem eine geographische und politisch-historische Bestandsaufnahme des Streits um die strategisch wichtigen Inselgruppen vorgelegt wird.

China's Economic Aid

JANUARY 1977

AFGHANISTAN

Part of the Parwan irrigation project was put into operation at the end of December 1976 (NCNA Jan 3, 1977). The construction of this project had started in 1974 (NCNA Sep 27, 1974). The project includes trunk canals, a hydroelectric station, and a pumping station. The water from the Panjsher river flows through the canals to irrigate some 25,000 hectares of land in the dry Parwan plain and is supplied as drinking water for the local people. The construction of branch canals is now underway (NCNA Jan 3, 1977).

ALBANIA

The Elbasan metallurgical combine went into operation at the end of October 1976 (NCNA Oct 25, 1976). Work on this project had been started in October 1971 (NCNA Oct 18, 1977). It is one of the greatest projects in Albania's 5th Five-Year Plan and enables the country to produce steel for the first time (NCNA Oct 25, 1977).

BANGLADESH

An agreement on economic and technical cooperation was signed on January 4, 1977 (NCNA Jan 4, 1977).

CONGO (Brazzaville)

The Chinese medical team works in the hospitalization centres in the towns of Talangai and Makelekele (NCNA Jan 4, 1977).

ETHIOPIA

The PRChina is now assisting in the Maichew water-supply project. 27 wells have so far been drilled in a dozen of medium and small towns. One year ago fresh water was found more than 70 metres beneath the surface of the Maichew valley and two wells were sunk, each supplying 520 tons of water daily. The water supply project was taken in hand in February 1975 (NCNA Oct 13, 1976).

LAOS

The construction of a waterworks system, which was built with the assistance of a group of Chinese specialists and workers, was concluded recently. The construction work had begun in early 1976 and the system is now in operation in Phong Saly provincial town (Vientiane Radio Jan 6, 1977; cit. SWB/W 912).

NIGER

A Chinese cement works survey team was working at Malbaza in October 1976 (NCNA Oct 4, 1976).

PERU

A Chinese plateau wheat study group visited Peru at the invitation of the Ministry of Food and Nutrition. During their 30-day visit the Chinese wheat experts toured Huancayo, Acacucho and Cusco, the main wheat-growing areas

of Peru, as well as the Lima agricultural experiment station (NCNA Jan 9, 1977).

SIERRA LEONE

The construction of the Kambia highway bridge across the Great Scarcies river is under way now. Construction work began in March 1976, immediately on completion of the Mange highway bridge of the same type (NCNA Oct 13, 1976).

Joint efforts have been made by technicians of Sierra Leone and China in the rice-growing technical stations at Lambyama, Newton and Kabala in the past few years to popularize techniques of rice cultivation. For the past two years the Lambyana station has guided 24 units in five counties of the district in opening up over 240 hectares of land and digging 43,000 metres of canal to resist floods and drought. The three agrotechnical stations were handed over to Sierra Leone on January 29, 1977 (NCNA Jan 30, 1977).

TOGO

The Chinese medical team ended the second training class for doctors in acupuncture on Oct 12, 1976. It had run for four months, starting on June 8, 1976 (NCNA Oct 12, 1976).

TUNISIA

The Chinese medical team and Tunisian medical workers held a joint symposium on acupuncture and stomatic diseases at the "Aziza Othmana" hospital (NCNA Jan 30, 1977).

VIETNAM

A book-printing factory constructed with Chinese assistance was completed recently. It can print 3,000 million pages annually in Vietnamese, Chinese, Russian, English, and French.Since early April it has printed 300,000,000 pages of textbooks for students in the 1976/77 school year (Hanoi Radio, Dec 10, 1976; cit. SWB/W 912).

A glassware factory built with Chinese assistance with an annual output of 1,500 tons of syringes, bottles and other glassware for medical use was recently inaugurated and put into operation in Hai Hung (Hanoil Radio, Dec 31, 1976; cit. SWB/W 911).

The medical glass tubing factory, newly built with Chinese assistance in Chi Linh County, Hai Hung province, was inaugurated on Dec 30, 1976. The construction work started in July 1972 and was completed on Dec 1, 1976, when the factory went into trial production (NCNA Dec 31, 1976).

A group of Chinese experts was decorated with orders and medals for their contributions to the restoration, transformation and expansion of the Ha Bac power station (VNA Jan 15, 1977; cit. SWB 5415).

ZAIRE

A new group of Chinese experts for the construction of the "People's Palace" arrived in Kinshasa (NCNA Jan 3, 1977). The construction of the palace began in November 1975 (NCNA Nov 21, 1975).
