With your signature you agree to the storage of your data by the journal. Your data will not be used for any other purpose or given to any other party.

The subscriber receives two double issues per year in print, starting with the next issue after receipt of the subscription order. The subscription is valid for the calendar year in which it is taken out and will be renewed automatically unless the subscription is cancelled in writing at least four weeks before the end of the calendar year. Subscribers will receive annual invoices.
