4) Yearly figures refer to end of year.
 5) The survey covers major 186 machine manufactures from 1990 (there were 107 prior to 1990)
 6) The survey covers 200 General construction cooperations of value of domestic construction orders received (there were 170 prior to 1990)
 The data from Jan. 1994 are based on 1994.
 16) Over the same month of last year
